

Uniform call for Japanese government MEXT scholarship, nomination through the e³ program for October 2022 Intake

e³ program calls for scholarship applications by international students who wish to enroll in the Graduate School of Engineering for October 2022 intake under the Japanese Government (MEXT) Scholarship Program.

The application starts with screening and selection for the scholarship. Applicants are expected to be academically excellent and strongly motivated to conduct Master or Doctoral level research at a laboratory within the e³ program. Shortlisted candidates who passed the first screening (document screening and interview with a prospective supervisor) will proceed to the second screening (interview with nomination committee) and be asked to submit additional documents to complete the procedure. Applicants who are nominated for the scholarship must subsequently apply for admission to the e³ program, the Graduate School of Engineering (Caution: MEXT Scholarship application and admission of the Graduate School of Engineering are separate procedures).

Please refer to the e³ program website for details about our program.

<https://www.eng.hokudai.ac.jp/e3/join/adm-general>).

Caution

This is the only solicitation for MEXT Scholarships (University Recommendation) to international students by the Graduate School of Engineering. The guideline below is based on the requirements of the scholarship program titled "Global Leadership Program for Cold Region Engineering." However, candidates for other MEXT scholarships (University Recommendation) such as "General", "Top Global University Scholarship" and "Study-in-Japan Global Network Scholarship" will be selected from the same pool of applicants.

For scholarships other than "Global Leadership Program for Cold Region Engineering", the number of positions, results notification timeline and conditions are subject to year-by-year change. Shortlisted candidates will be timely instructed by the e³ program about further materials to complete the application.

Special considerations

The e³ program recruits' candidates for MEXT scholarship from all over the world, due regard being given to the geographic diversity of the scholarship recipients. For this scholarship call candidates from the following regions are strongly encouraged to apply: Russia & CIS, Sub-Saharan Africa.
