

Dear Colleague,

We are delighted to invite you to participate or attend to a selected part or all of the series of scientific events, which are planned to take place on 14 – 17 September 2022 under the auspicious of Chamber of Civil Engineers (IMO), North Cyprus, at Acapulco Hotel in Kyrenia. The events and dates are listed in the following;

- ***Second National Symposium of Civil Engineers in North Cyprus, 14-15 September 2022,***
- ***International Conference: Nature Inspired Solutions in Engineering, supported by NISE, 16 September 2022,***
- ***International Workshop: Advances in Laboratory Testing of Liquefiable Soils, supported by ISSMGE TC101 Technical Committee, 17 September 2022.***

Themes for each event, important dates, committees, keynote speakers and details of the venue are presented on the website <https://nce2022.ktimo.org> .

We will be grateful to see you join us. If you wish to indicate your interest in participating in one of the events and you have questions please contact us by responding to this email.

Sincerely,

Organising committee, (NCE2022, IC-NISE-CY22, IW-ISSMGE-CY22)
